

PROGRAM

This three-day panoramic driving tour starts in Dubai and ends there as well. Pick up and drop off spots can be freely chosen at your convenience.

DAY 1

The sports car of your choice is delivered to the airport, your hotel or your residence in Dubai, from where you begin a scenic three-hour desert drive to the Qasr Al Sarab Resort in the Liwa desert.

DAY 2

Your drive on the second day takes you to one of the most exciting and iconic mountain roads in the United Arab Emirates: the Jebel Hafeet in Al Ain. There, a windy road makes your drive in a sports car exhilarating.

Relax and enjoy the feeling of adrenaline slowly leaving your body again during a lunch break at the Mercure Grand Jebel Hafeet Le Belvedere Restaurant. From there, you will drive to Abu Dhabi, the capital of the UAE, and check in at the stunning Emirates Palace.

DAY 3

You visit the spectacular Sheikh Zayed Mosque and drive to the Yas Marina Circuit, where you can experience a Formula 1 track experience (subject to availability) and enjoy lunch at the Yas Viceroy Origins Restaurant (which is built over the F1 track).

Afterwards, you drive back to Dubai, where the E and S Team will pick up your car at your desired location.
