Word From The CEO

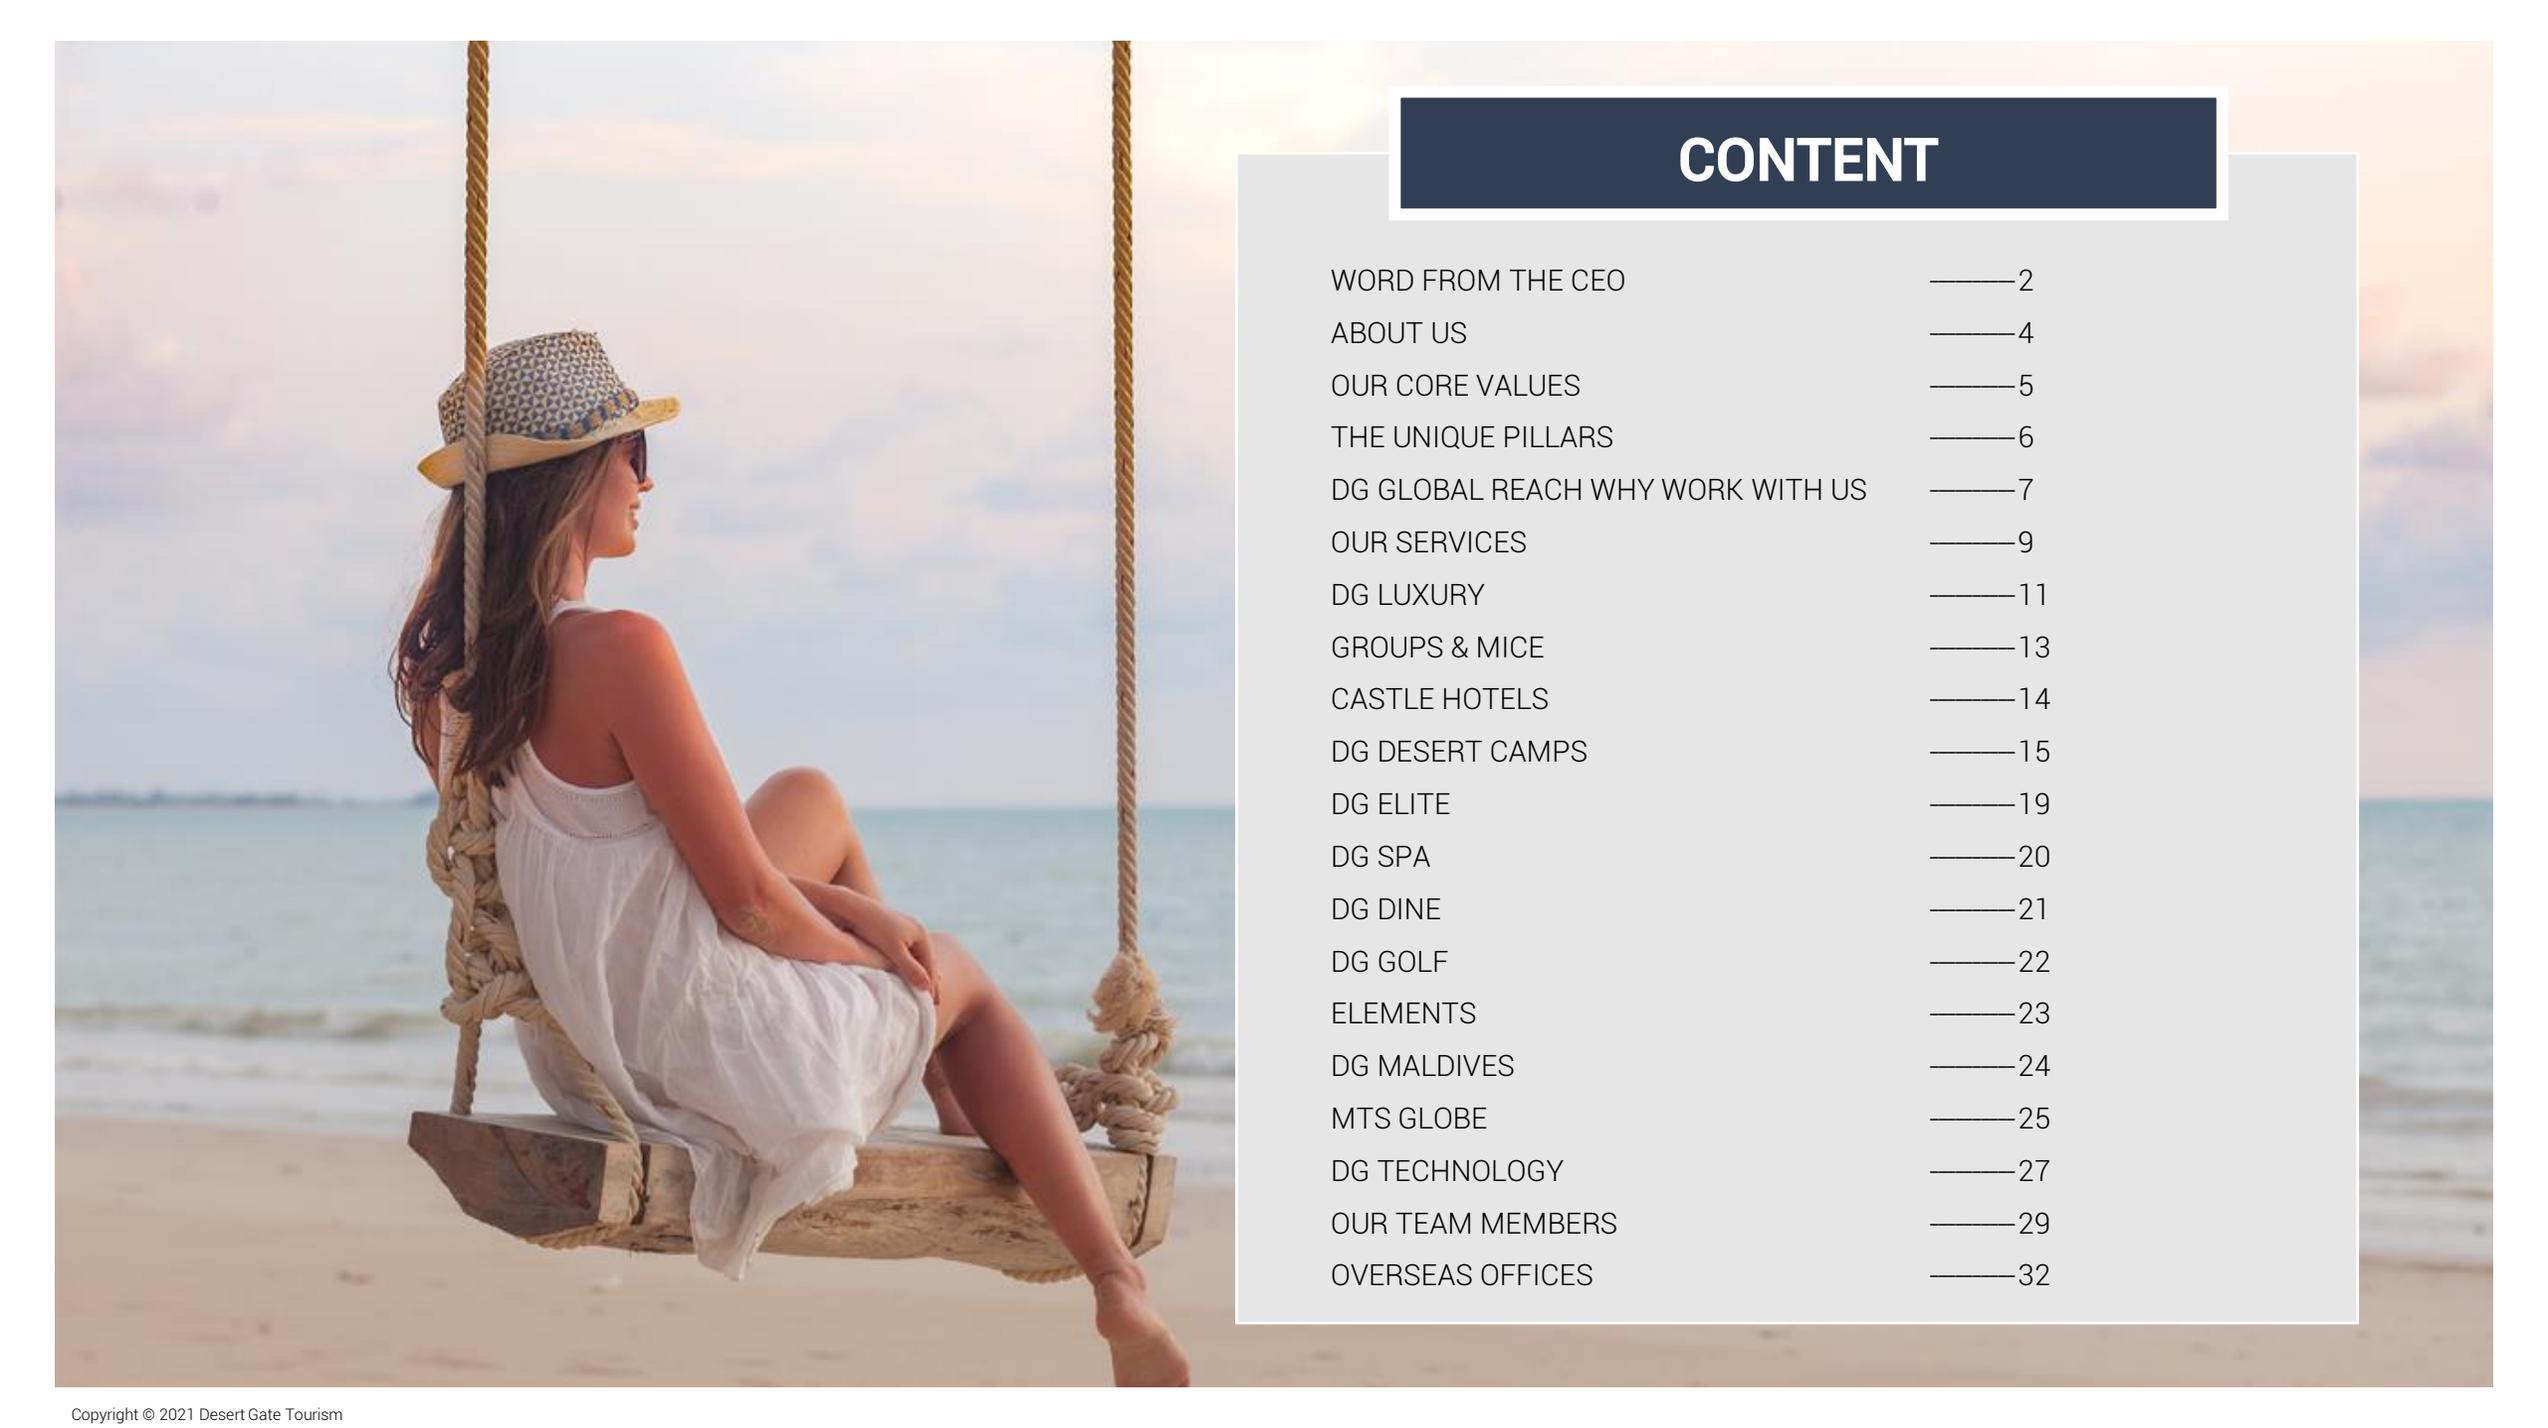

"I am very glad that you have taken out the time to learn more about our company. Desert Gate had its humble beginnings in UAE in 2004 as a local supplier to top level tour operators. Over a period of 10 years, we gained a lot of experience and began to be recognized for our professionalism, innovative approach to product design and superior customer service. In 2014, we transformed ourselves into a full-fledged Premium DMC.

Today, our multi-lingual, highly qualified team of over 105 professionals is well known and respected throughout the travel industry and has been carefully hand-picked by me. In the last few years, I have had the opportunity to work with some of the most knowledgeable and competent travel professionals and forge partnerships with renowned operators world-wide. We have expanded our business to cover UAE, Oman and Maldives, offering unique experiences and products in both countries.

What our business partners love the most about us, is our ability to provide personalized service to our clients and curate the perfect experiences with attention to detail. We are determined to become the Number One Luxury Travel Services Provider in our region, and eventually expand our reach to other destinations.

If you are looking to work with us, my team would be more than happy to assist you with additional information. We are a guest-centric enterprise that values relationships and committed to achieving excellence by providing high quality interactions and creative solutions."

ABOUT US

An organization built on professionalism, extensive experience and guest-centricity, Desert Gate was a long-sought dream of a visionary who established the company in 2004 as a supplier of the local needs to the top-level tour operators in the UAE. Today, it is a full-fledged Premium DMC, serving all seven emirates of the UAE, Oman and Maldives. Over the years, the company has been recognised and rewarded for its innovative approach to product design as well as providing top notch service to its guests.

A solid financial base complemented with a well-proven, reliable top management boasting of 75 years of combined experience in the travel industry, Desert Gate envisions to become the number one Luxury travel group in the Gulf region, with a plan to expand its services to other destinations that are connected culturally to its home market.

Desert Gate is part of the MTS Globe group (www.mtsglobe.com) and through that partnership has access to the best-in-class technology and cleanest XML feed in the industry. Also, as a traditional DMC, Desert Gate has all you can expect from a first-rate ground handler, such as excellent contracting, creative excursions and superior in-resort service levels.

The Core Values that define us

At Desert Gate, we have 6 key values that form the essence of our identity

Authenticity

Our experience engineers build your itinerary with local insights and little surprises to make you feel like a part of the local community. You will get much more than you expect from the destination and the activities involved.

Passion

We love what we do, it's more than just a job for us. Making sure our guests not only enjoy their trip but are left with lifelong memories is the ultimate goal of all our hard work and meticulous planning.

Importance to Technology

We have embraced technology to create smoother processes and efficient systems, but not without recognizing the need for intense personalized human service.

Dynamism

Change is the only constant and we manage destinations that are continually growing and re-inventing themselves. This means, we must make sure that we are not only adapting to the trends but staying ahead of them.

Guest Centricity

We are in the business of creating happy memories and this means, unless we focus on ensuring that our guests are delighted, we aren't doing our jobs right.

Communication

Breaking communication barriers by hiring a multi-lingual team to provide 24 x 7 service to our partners, has helped us in quick problem solving, setting clearer objectives and expectations.

Camel rides, sand boarding, shisha and henna tattoos are all available and included in the package.

The DG Camp has long been recognized as one of the very best experiences and venues in the region, but Desert Gate Management wanted to take further steps to make the camp more ecological compliant and in June 2018, the following initiatives were undertaken

- Removal of plastic glasses and cutlery
- Plastic straws removed and replaced
- Recycling of 50% of waste with 75% as a target

DESERT GATE ROLLS OUT THE RED-CARPET IN ABU DHABI

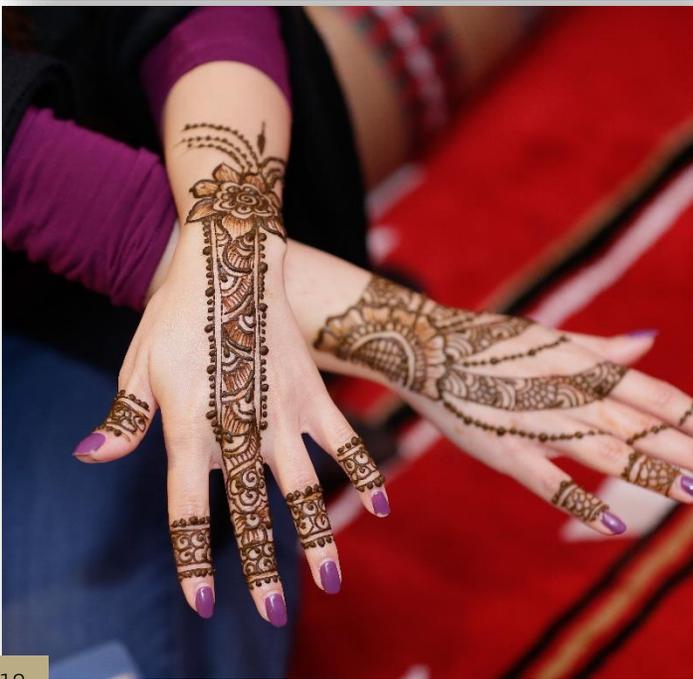

DG DESERT CAMP

(Abu Dhabi)

Known and appreciated for the exemplary service standards, high-quality entertainment and excellent dune-bashing experience offered in Dubai, we are now proud to open a new safari camp in the breathtaking and tranquil desert of Abu Dhabi. With a promise to provide a memorable evening, our team of highly skilled drivers will whisk you away into the undulating sand dunes and golden-brown valleys of the Empty Quarter, with a chance to turn a magical evening into a sublime cultural experience at the Bedouin-style camp. Offering you the opportunity to experience camelback riding, sand-boarding, getting an artistic henna design on your hands, and adorning yourself in traditional Emirati clothes, while enjoying the magnificent belly-dancing and Tanoura show by our seasoned performers, the evening is bound to leave you entranced.

Conclude the extraordinary evening with yet another experience typical of the UAE - smoking a shisha pipe or sipping on freshly-brewed Arabian coffee and dates. An indulgent barbecue meal is an excellent round-up to a culturally-rewarding, visually-fulfilling and entertaining adventure before the Desert Gate team bids you goodbye and drops you back to your hotel.

Special Benefits only for Desert Gate Guests

DG ELITE

Desert Gate knows that not every Global Travel Partner is the same, and after having served the Virtuoso, and other luxury partners, acknowledges that the tailor made and luxury segment has very different needs.

For that reason, we created a unit called DG Elite – a team of talented and hyper experienced experts serving a very small subset of consortia and non-consortia travel partners from around the world, for whom we have setup and negotiated some very special benefits in many of our luxury hotels:

- Special Rates on Suites ,Villas and higher room categories
- Upgrades on availability
- Early Check-in and Late Checkout (on availability)
- Special Amenities for Children and Families
- Additional benefits from Desert Gate
- DG Elite Concierge Service

The personalized service model provided by the DG Elite team is of topmost quality, offering bespoke itineraries, custom built experiences and levels of expertise and support (pre/post and during travel) not seen before in the DMC industry in the Middle East.

Special Benefits only for Desert Gate Guests

DG SPA

In today's world of discerning travel, Desert Gate recognizes that the treatment or spa experience that our guest demands might not be available in the hotel that they are staying at. This is also relevant for guests not staying in hotels that have their own spa facilities.

DG SPA is a handpicked selection of spas and spa experiences in selected hotels across UAE & Oman. Each spa has been visited and vetted for its quality and agreements have been signed affording discounted rates and preferential service for DG guests.

Bookings are made through a DG Spa Concierge who will advise and recommend the best Spa to visit.

Launching in Q3 2021.

Dining Benefits only for Desert Gate Guests

DG DINE

DG Dine was created with our more than 250.000 guests and their gastronomic needs in mind. We saw that the dining offer in the UAE is massive with a literally endless number of restaurants and cafes on offer. DG Dine set out to curate this list down to 100 establishments, where not only our guests received a discount on their total bill, but also receive priority service and benefits.

The program launched in June 2018 with a waiting list of establishments wanting to join the program. It has been well received by not only the DG guests but also the more than 7000 daily rooms serviced by our 18 hotel concierge desks

In August of 2018, Desert Gate announced that for every confirmed booking made through DG Dine, it would make a donation of 5 AED to a local charity to help feed underprivileged children in third world countries... "You Eat, They Eat"

Golf Packages "Par Excellence"

DG GOLF

The UAE, as well as Oman, are very popular destinations for golf enthusiasts. With over 18 courses in the UAE and 3 in Oman, amateurs and professionals flock to the beautifully kept greens all year round to practice their favorite sport.

The DG Golf team has been recognized as probably the top professionals in the region with seemingly limitless experience and a wealth of contacts to make sure that any package, green fee or tournament is perfection "to a tee"

Furthermore, with the same experience and contacts, the DG Golf team organizes attendance at many of the regions top golfing events such as the European PGA Final or Omega Ladies Classic.

DG keeps its Partners informed **ELEMENTS**

DG Destinations are fast moving, always updating places. We are conscious that it is not always easy to keep abreast of everything that is going on

Elements is our online 150 page, monthly magazine with news, articles, opinions and more.

Focused on the UAE, Oman and Maldives, this publication, was launched in February 2019 and is the "go-to" source for travel professionals.

Desert Gate Expansion

DG MALDIVES

Besides UAE and Oman, we saw that many of our guests were also visiting the Indian Ocean. For our B2B partners, using Desert Gate only for different destination is time saving and efficient.

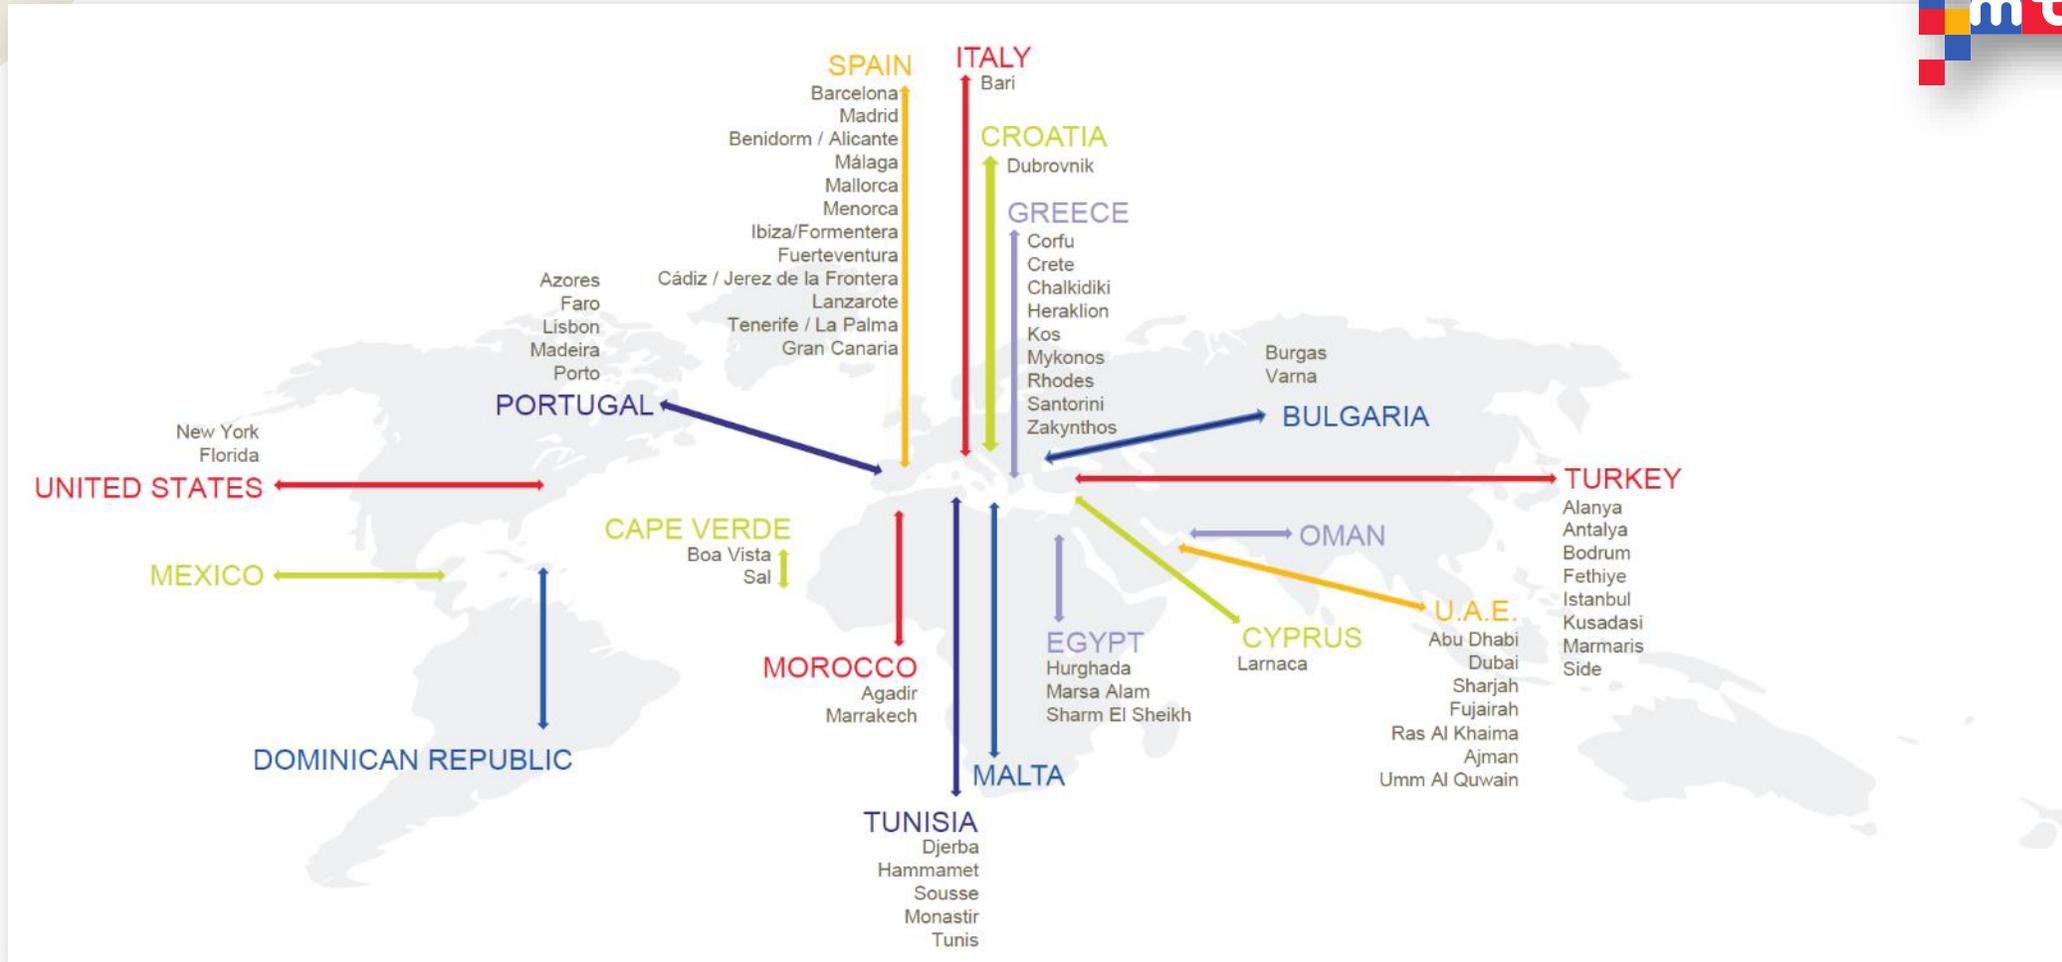

In June 2018, Desert Gate launched Maldives as an expansion destination. With 70 handpicked hotels, special deals, and the same quality of service and availability, DG Maldives enables our global partners to use DG as a one stop shop for its multi-country destinations.

In 2019 we further expanded our hotel portfolio to reach 90 featured hotels and established a seamless ground service, thanks to our office in Male enabling us to personally meet our guest at the welcome desk in the airport.
